

**HEART MONTH . . .** Mrs. John Watson looks over the shoulder of Mayor Albert Isen as he signs a proclamation for Heart Fund Month and sets with her three sons. Chatting with the mayor are Danny DeWayne, and David Walker. David, the "middle" triplet, underwent an open heart operation two years ago to correct a congenital heart defect. Isen proclaimed February as "Heart Fund Month" in Torrance at last night's council meeting. (Press-Herald Photo)

**...Parade**

(Continued from Page 1)  
dents from the Inglewood area, will man radios along the parade route to insure precise timing.  
City Councilman H. Ted Olson is general chairman of the parade. Olson said a breakfast for marshals and other visiting dignitaries will be held prior to the 10:30 a.m. starting time. The parade units will form on Cabrillo Avenue and march down Cravens Avenue to Torrance Boulevard.

A REVIEWING stand will be located in front of the Torrance City Hall. Parade units will turn north on Madrona and then disband in the area behind the municipal plunge and courts buildings.

Participants include Scouts from all western area scout districts, according to Olson. District chairmen from the four areas will serve as marshals. They include William Mahoney, South Bay; Gabriel Orland, Thunderbird; Thomas L. McCarthy, Centinela, and Charles L. McNeill, Harbor.

Others who have accepted the invitation to participate in the parade include: Dorothy Mame, Disneyland youth administrator; David Condit, president of the Crenshaw Area Chamber of Commerce; Marshall Brough, western section chairman, Los Angeles Boy Scout Council; Charles F. Grable, Los Angeles Council Scout executive; Edward Mills and Walter R. Whitten, regional executives for the Los Angeles Area Council, and Thomas Bradley, Los Angeles councilman from the 10th district.

**Garden Checklist**

1. The greens will be greener if you spend a day spreading manure around your shrubby beds and spring planting areas. The rains will leach the nutrients down into the soil to the root zone where you want them.
2. Prune fuchsias between now and mid-February. Established grape vines can be pruned now. New grape vines can be planted.
3. Begonia tubers are on the market again. Start them in flats or pots in peat and leaf mold and sand or a prepared planting mix.
4. Many choice camellias are in flower now. Browse the nurseries for your favorites and plant while dormant. They make nice companions with azaleas in late winter. Shop for them both to spark up your February color scheme. Set out rhododendrons for a big show later on.
5. Keep on with bare-root planting whenever the weather permits.
6. Feed lawns again this month. If your lawn was invaded by crabgrass last summer, ask your nurseryman about a pre-emergence crabgrass killer that you can apply now to eliminate this weed's invasion for the coming year.

**HIGHEST BRIDGE**

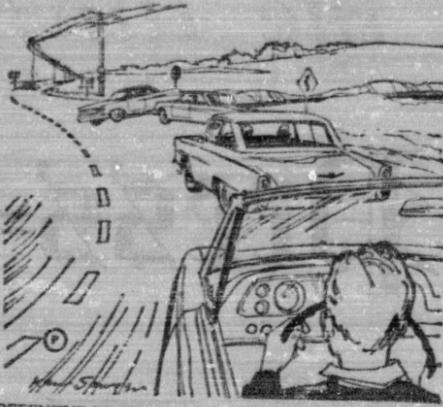

Royal Gorge Bridge near Canon City, Colorado, is claimed to be the highest bridge in the world. The bridge is built 1,053 feet above the Arkansas River. The name "Christ" comes from the Greek word for "Messiah," according to World Book Encyclopedia.

**TO ATTEND MEETING**

Norman E. Reed, 20435 Anza Ave., representative for the R. T. French Co., will attend the firm's sales meetings Thursday and Friday at the Disneyland Hotel.

Naval Aviation Cadet Alan J. Billings, son of Mr. and Mrs. Roy W. Billings of 911 Kornblum, reported Jan. 7 to Pre-Flight School at the Naval Air Station, Pensacola, Fla.

**Youth Behind The Wheel**

**DEFENSIVE DRIVING**—Always be alert to take the proper defensive action when there is a vehicle ahead of you, advises the Automobile Club of Southern California. (1) Maintain a safe following distance (one vehicle length for each 10 m.p.h. of speed). (2) Watch traffic well ahead. Be alert for conditions that cause the driver ahead to stop suddenly. Heavy traffic breeds "chain-reaction" accidents. (3) Maintain a safe distance when pulling up behind a standing vehicle. It could roll back.

**Toberman Pilot Project Review for Soroptimists**

A review of the pilot project conducted at the Homer Toberman Settlement House was accepted. In the operation of the project, Mrs. Schwartz said, "Volunteers are recruited, trained and assigned. Their skills are used where the need is. Part of the success of the program is attributed to fitting the right place." All volunteers are required to attend training sessions and acquaint themselves with the rules and regulations of the Department of Public Assistance and to learn techniques which would be helpful to them on the job. Monthly conferences are held by the supervisor with each volunteer. Currently there are 40 active volunteers, serving 85 families.

**GROWING PRIZE . . .** Tony Moretti, Steven M. Rudell, and Joseph Holmes, all students at Torrance Elementary School, plant a tree which their class purchased for the school. The students, from Mrs. Jane Morgan's second grade class, won the prize for recruiting the most PTA members. The class voted to use the money for something to benefit the school instead of giving themselves the usual party.
